SENIOR PRIVILEGE OVERVIEW
Seniors play an important role in the Bosque community. Whether they are aware of it or not, seniors serve as role models and mentors for underclassmen. They interact with other students in many positive ways, and we value and enjoy their presence throughout the day on campus.

We realize, though, that students at this level are seeking additional independence and taking on more responsibilities that pull them away from high school. This movement is healthy, and we have established senior privilege to recognize this normal development while still maintaining the safest environment possible for all students.

SENIOR PRIVILEGE GUIDELINES
Beginning on Tuesday, September 3rd, seniors who do not have a first block class do not have to arrive at school until their first class begins. Students with a first block class are expected to arrive in time for morning meeting.

Seniors may leave school when their final school commitment of the day ends (these commitments include classes as well as advisory meetings, x-block activities, and college seminar).

Seniors may not come and go throughout the day. Students who wish to remain on campus to visit with friends, meet with a teacher, or otherwise participate in the community should not leave campus until they have completed everything they want to do during the school day.

Students who have after-school commitments, such as sports or performing arts practices may leave school as noted above. These students should return to campus no earlier than 3:00 pm for their after school activities.

Students using senior privilege must sign in and out at Dolores Landavazo’s desk.

Students who abuse senior privilege by not following the guidelines above risk having senior privilege revoked and potentially facing other disciplinary consequences.
