**ONE-TO-ONE PROGRAM FOR MIDDLE SCHOOL**

Bosque School provides a Chromebook to every incoming Middle School student. The Chromebook is for use during school hours and should not be taken home. Chromebooks should be returned to their advisor’s cart and plugged in for charging at the end of every day. The Chromebook will be used for the three years the student is in the Middle School. When students enter the 9th grade, the Chromebooks will be given to the students to keep.

Bosque will replace Chromebooks that have a manufacturing flaw or internal component failure at no charge to the family. In order to encourage greater responsibility with the Chromebooks, we are instituting a new policy for financing the replacement of physically broken Chromebooks:

- **1st Chromebook** - Bosque pays 100%
- **1st replacement** - Family pays 50% of replacement cost
- **2nd+ replacements** - Family pays 100% of replacement cost

This policy extends over the three years the student is attending the Middle School.
